

## **Level of participation in TAA activities.**

Charles B. (Chuck) Corbin has been a member of TAA for more than 30 years. Prior to his retirement from Arizona State University (ASU) as an active Professor of Exercise and Wellness he attended many Text and Academic Authors Association national conferences at which he made presentations. Since his retirement he has been Professor Emeritus at ASU and has not traveled to national meetings because he no longer flies although he did drive to the conference in Albuquerque, and he has attended virtual conferences.

Chuck has served on a number of committees and has been a regular reviewer for TAA textbook awards. He has contributed articles to the Academic Author Newsletter and participated in blogs and the TAA Conversation Circle. Chuck has donated to multiple TAA funds.

## **Teaching Excellence**

During his 55 years of teaching (public school and college), Chuck consistently received the highest (high-merit) evaluations for his teaching (based primarily on student ratings). He was nominated and was a finalist for outstanding teacher and outstanding graduate mentor awards at Arizona State University. He mentored 23 doctoral and more than 100 master's degree students and served on more than 200 master's and doctoral committees. He was named by *Better Health and Living Magazine* as one of 10 Americans "who made a difference,"

The fact that Chuck has been an invited lecturer worldwide and featured speaker worldwide attests to his teaching excellence (he teaches through his presentations). Selected examples are included below.

### **Selected Invited Lectures**

Prince Phillip Lecture-United Kingdom  
Martin Garrison Endowed Lecture (HSU)  
Delphine Hanna Lecture (NAPEHE)  
Clifford G. Lewis Lecture (UGA)  
Ray Weiss Lecture (AAHPERD)
